

Hello!

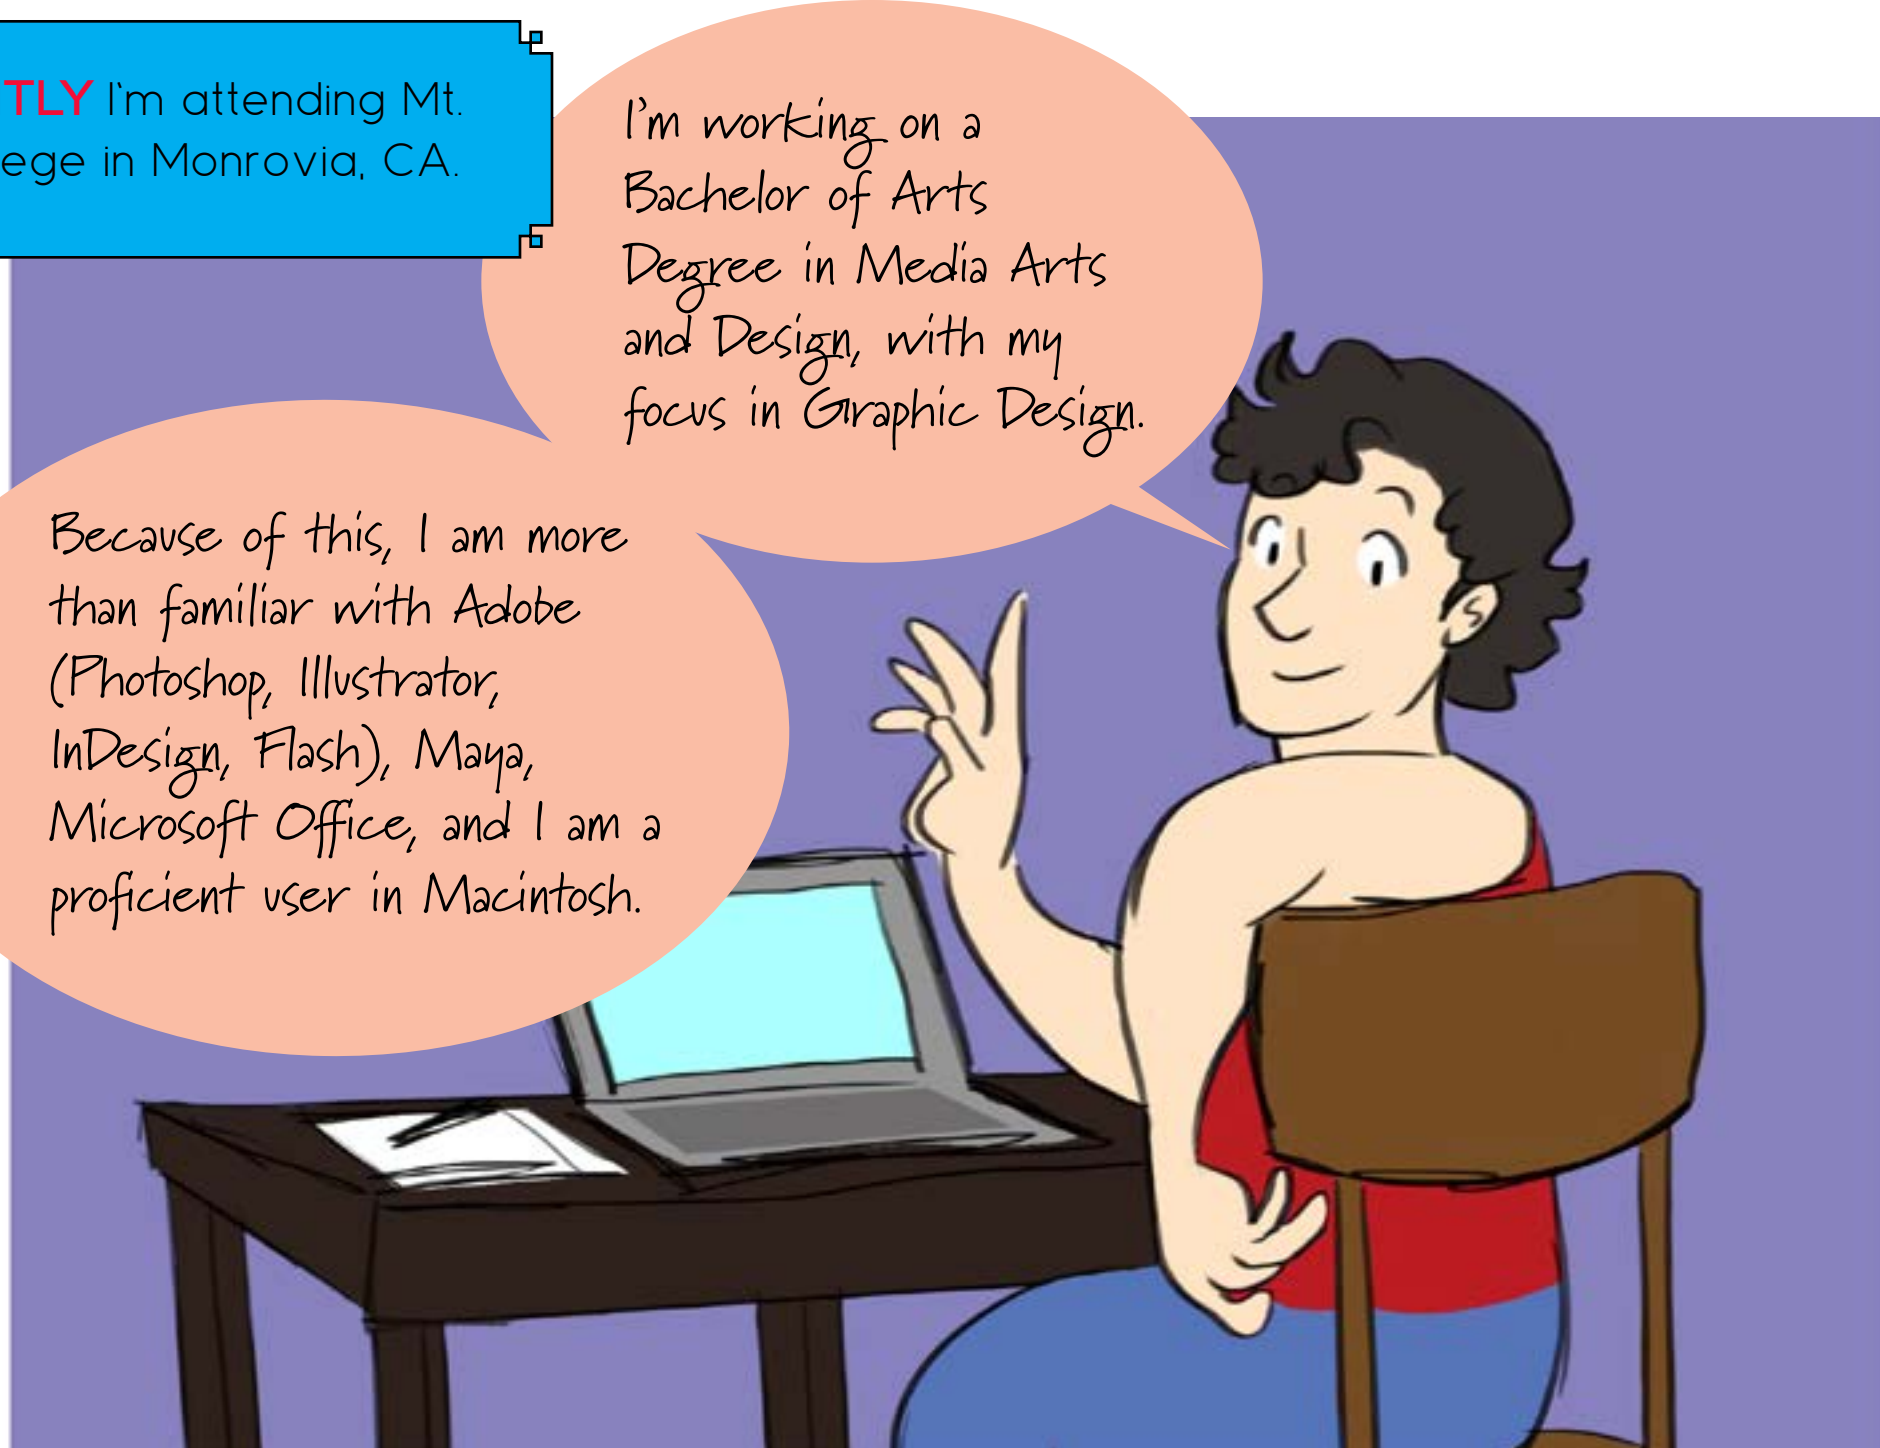

I'm Sarah Rodriguez, and this is my resume. Now, let's get started.

# THE RÉSUMÉ OF SARAH RODRIGUEZ

**CURRENTLY** I'm attending Mt. Sierra College in Monrovia, CA.

I'm working on a Bachelor of Arts Degree in Media Arts and Design, with my focus in Graphic Design.

Because of this, I am more than familiar with Adobe (Photoshop, Illustrator, InDesign, Flash), Maya, Microsoft Office, and I am a proficient user in Macintosh.

**FOR THE PAST** six years, I've been working as a muralist.

As a muralist, I'm able to utilize the Life/Perspective Drawing skills that I've spent my life honing in each of my works.

Some of my clients have included:

The School of Arts and Enterprise, LeRoy Haynes Center, The United Way Inland Empire -

- and I've done a few private residences, too.

Clients have praised my work, my work ethic, and have referred me to others.

## "SATISFACTION"

The Clients  
*Sarah is Awesome*

*Sarah's work is stunning, truly great, and she knew exactly what we wanted!  
Woo woo woo!*

Even though my murals have all been done in housepaint, I choose to paint in Acrylic, Oil, and Watercolor in my spare time.

## MURALS AND DIGITAL

aren't all I do, either: I'm a chalk artist as well.

I've been doing chalk art for the last six years,

and have participated in the following festivals:

Pasadena Chalk Festival:  
2009, 2010, 2011  
Pomona Chalk Walk: 2010,  
2011, 2014  
Glendora Chalk Festival: 2010  
Monrovia Chalk Festival: 2015

**IN THE MEANTIME,** I've also been working as a freelance artist -

- my biggest client thus far has been as a character designer for a show in development for YouTube called 'Space Hotel'.

## IN SHORT:

I'm a Muralist, Graphic Designer-in-training, Comic Artist, Chalk Artist, and I also dabble in Ceramics.

I am a dedicated, hardworking individual who won't rest until the job is done that not only pleases my clients, but myself as well.

I'm also able to take direction, and I work great with others. I have good Time Management skills, and produce at a high level that exceeds expectations.
